

WARM, TRENDY AND SUSTAINABLE

Stanley/Stella Jacket range is the first of its kind in the European imprint market, to **combine such a sustainable technology to a trendy level.**

Stanley Hikes and Stella Walks shell and lining are made of **100% recycled material, including 80% recycled PET** (coming from plastic bottles). Puffy effect and warm properties are brought by a polyester padding mixed with Sorona® (renewable sources fibre).

Also **Stanley Breaks** (p.192), **Stella Winds** (p.127) and new **Trek** (p.11) windbreaker's linings, shell and padding are made with **100% of recycled PET**. Soft even in terms of carbon footprint!
