

# WE ARE SUSTAINABLE

At Stanley/Stella, sustainability is deeply rooted in our DNA.

There is, according to our philosophy, no other way to produce textile nowadays than with **full respect for People and the Planet**.

**Soft, comfy, our raw material is natural, organic and certified.** Designed in Belgium, most of Stanley/Stella's collection is proudly made in Bangladesh, meeting **Fair Wear Foundation's** and **International Labour Organisation** conditions of labour.
