This season, we continue to stand by our commitment to only ever use 100% organic cotton and recycled polyester. Premium is reflected in hood linings, special trims, exceptional metal-ware, the attention given to proportions, rich colour selection, exactly the right fabric weight for each product, and a refusal to compromise on our standards in production.

We've created clean lines and reflected high attention to detail in a collection that is forever relevant. Everyone can embrace a guarantee of not just comfort but style, with pieces that are easy to wear and effortless to combine.

Style combos are a focus of this new collection, allowing the wearer to create outfits. The style combinations across tees and sweats are bountiful, enabling a play with colour and products to create unique looks. And can be shared by men, women and even children.
