NEW COLLECTION DNA

PREMIUM

This season, we continue to stand by our commitment to only ever use 100% organic cotton and recycled polyester because we believe that anything less isn't premium. We've given precedent to all the extra things that come together to create something beautiful. Premium is reflected in hood linings, special trims, exceptional metal-ware, the attention given to proportions, rich colour selection, the exact fabric weight for each product and the refusal to compromise on our standards in production. Premium is also present in the outstanding quality of service that comes with each of these products.
